

Dear Family,

It's me again from Guide Dog College. Guess what? I guided my handler while they were under blindfold. Phew! It wasn't easy but we were successful as a team.

Recently we went to the mall and rode on the escalators. It's great- I just stand there and poof, we are at the second floor!

It's not all hard work though. I get to play with my friends and chew on my favorite bones. We even had a few swim parties on the hot days. We get lots of love and attention.

I hope you are doing well!

Wags & licks,

Bosley
