

*Dear Family,*

*How are you doing? I'm great! I have spent the last few weeks with my instructor learning how to walk with a special black & white harness on, and boy oh boy do I look good!! I am learning how to stop at curbs, make left and right turns when my instructor tells me to and keep her safe from objects on the sidewalks. My instructor is always telling me what a good girl I am, and I have to say, I love hearing it! Oh, and I have a really cute roommate that I love to play with when I'm not working!*

*Miss you guys, but I'm having a great time!!*

*Wags and kisses!*

*Denver*
