

Dear Family,

I am writing to update you on my progress in service dog training. This month, I primarily focused on learning... to be able to have 100% impulse control controlled. meaning that I pay attention to my trainer during all distractions and not break from position.

Some other things that I am learning include... I know all my cues behaviors, but I still am working on to learn how to wave to people with my paw.

I am good at... picking up small bags of trash and putting them in the trash basket.

I am having challenges with... "Leash walking". I get a little excited, and I tend to walk ahead of my trainer when we are walking together.

I have the most fun when... I perform my cues correctly, and when I get to play with my toys, and with other dogs.

My favorite toy is...

my purple rubber cross bone.

Wags & Kisses,

I miss you,
Love Elmer!
