

Dear Family,

I am writing to update you on my progress in service dog training. This month, I primarily focused on learning... to continue to be fluent on performing my cue's correctly. Such as performing sit, down, etc, during all distractions. Also my trainer is going to train me how to be able to wave to people with my paw.

Some other things that I am learning include... to continue to be strong on working on my impulse and not break position when I'm very happy and excited.

I am good at... picking up small ^{Items} ~~Items~~ off the floor and putting them where I am requested to put them at.

I am having challenges with... keeping eyecontact with my trainer, when I have the gentle leader on my nose. The gentle leader is a very small leash slash brace that goes around my nose to help keep me to stay in position.

I have the most fun when... I get to play either by myself or with other dogs.

My favorite toy is... Always my purple rubber cross bone.

Wags & Kisses,

I miss you

Love Elmer
