Hi Sepulveda Building Materials!
My name is Gladys, and I was born on February 4—I'm so excited to be your sponsored puppy in training. I'm just getting settled into my new home and starting to learn all the important skills I'll need to one day help someone in need.
Thank you so much for supporting me on my journey—I can't wait to share my adventures with you!

Meet my brothers and sisters!

My first few days have involved a lot of sleeping, playing and looking so cute!

Oh, and I should mention—I have a sibling at home too! Her name is Brenda, and she is also a puppy in training. She'll be heading into her formal training this July, so for the next three months she'll be showing me the ropes and teaching me how to be the best puppy I can be.

Thank you again for supporting me and being such an important part of my journey—it means so much to me!

Over the next few weeks, I'll be heading to puppy kindergarten where I'll start learning lots of new skills like good manners, basic commands, and how to focus in different environments. I'm so excited to keep growing and will be sure to share all about my progress with you!

Paws and Kisses!

Gladys
