

MEET...OLIVER!

PUPPY IN TRAINING

ALL ABOUT ME

Hi! My name is Oliver!

I am one of Guide Dogs of America's newest puppies in training...but you knew that since you are generous enough to SPONSOR ME! How lucky am I?? I am giving you my puppy promise that I will do my best to make you proud, wearing my Sepulveda Building Materials-sponsored jacket, and work hard to be the best service/guide dog in training I can be.

My family always says how silly and goofy I am (you'll be able to see in some pictures; they always seem to catch me at a goofy moment!). I hear I'm a very good listener and am very smart; I DO go to school every day, so maybe that helps me!

I am so excited to share what I have done so far - I hope you enjoy all my cutie pictures!!

Wags and licks,

Oliver

PUPPY GO HOME! (FOR 1)

My first car ride (home) was the BEST! And by best, I mean I don't even know what happened!

I was placed in a moving box, put on a cozy and warm lap, and the next thing I knew, I was at my new home!

I have learned that car rides are an extra nap...SCORE!

SCHOOL!

So, I hear I'm the coolest and luckiest puppy because most puppies need to STAY HOME?? until they get all their puppy vaccines...BUT my mommy told me that because I'm a school dog, I get to go to school!

The week after I went home with my new family, Mommy started taking me to work to set up our classroom! There were so many new smells and people to meet - it was so much fun, and I did great! I got to hang out in my x-pen and kennel, and was the best boy!

PUPPY KINDERGARTEN

I started my Puppy Kindergarten class with another puppy my age!

I'm learning lots of new behaviors that will one day be helpful to someone who really needs me!

I really want to be a working dog when I grow up, so I am trying my best to learn everything I can.

There is something I use called my "paw pad." I call it my treat dispenser, but it's the same thing!

MEETING NEW PEOPLE

I have met lots of people since I've come to my new home! I feel like a puppy celebrity... I learned that some people have fur on their faces, just like me, and some wear things on their heads!

I am learning that their hands and legs are NOT toys...even though they taste absolutely delish.

Meeting all different kinds of people is very important for my training!

THAT'S ALL...FOR NOW!

I have had the most eventful first month and am so excited I get to share my journey with you!

Next time, I will have a lot more firsts to share with you! Until then, I promise to work hard to make you soooo proud of me.

I am very lucky to have been chosen to be sponsored by Sepulveda Building Materials, and will wear my jacket proudly. Everyone who sees me will know who my generous sponsors are!

Thank you again for sponsoring me.

Wags and licks,

Oliver
