April Quarterly Report

# Hi, Sepulveda friends!!

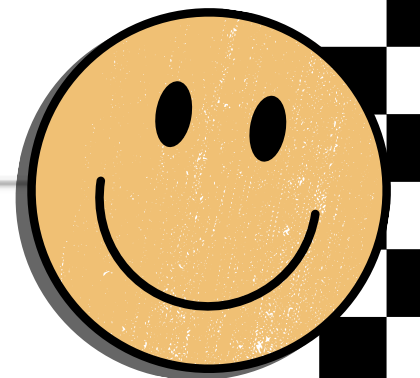

I have had a full last quarter, learning new skills and behaviors that will hopefully help me become a successful service/guide dog, have had lots of playtime, and have spent fun days at school with my students!

None of my adventures would be possible without you all sponsoring me! Thank you for caring about me and my journey enough to sponsor me. I know I am meant to help someone someday; I can't wait to see who it is! I would not be able to have this opportunity without you - thank you!

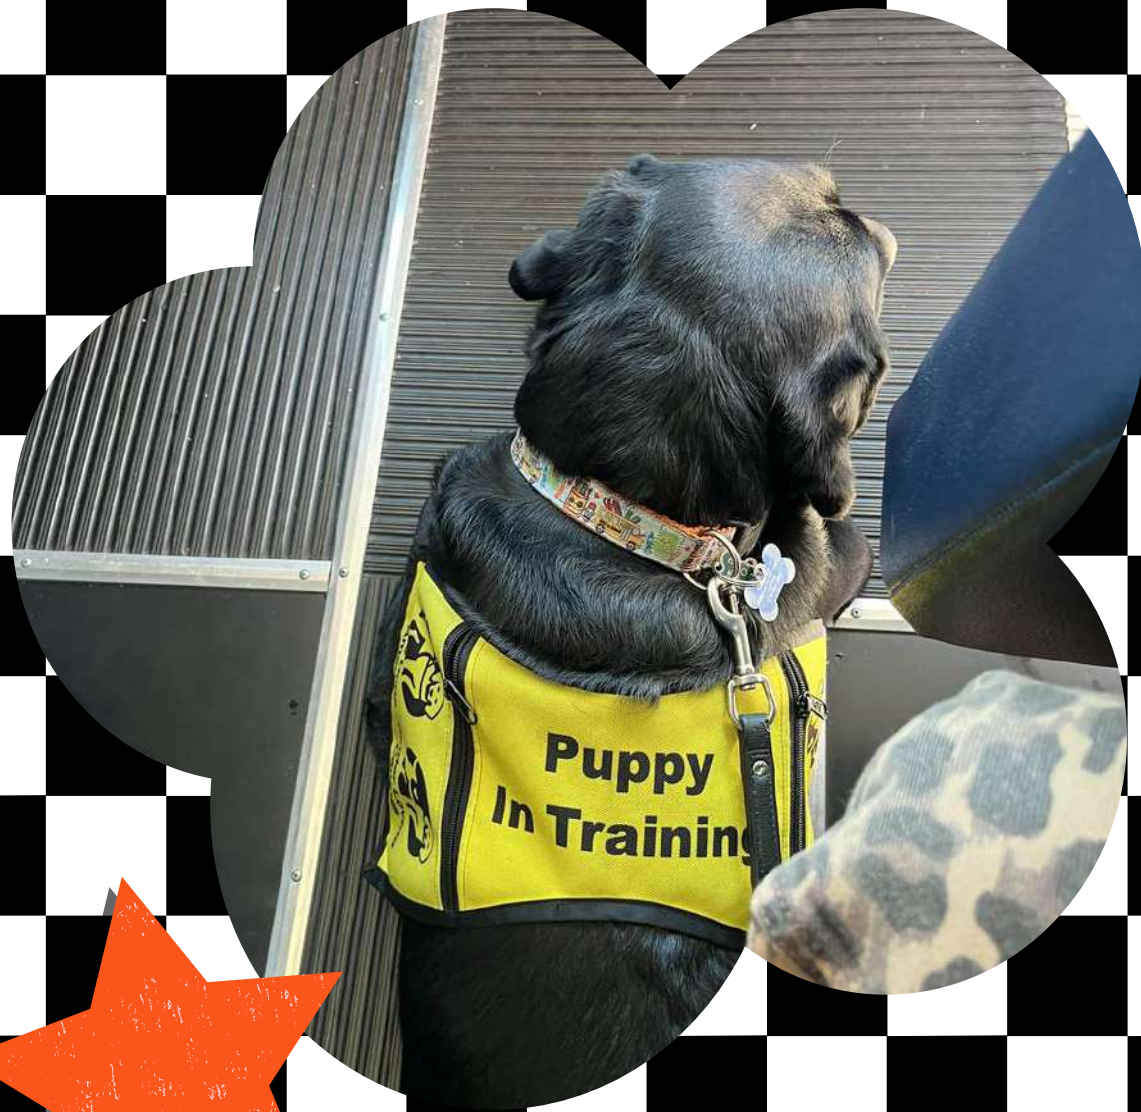

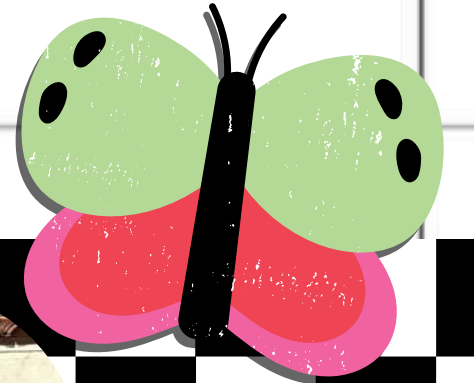

*Enjoy my photos!*
