

OCTOBER

Dear Family,

I am writing to update you on my progress in service dog training. This month, I primarily focused on learning...

A few cues. But I did just learn "focused" that was very easy for me. Because I AM SMART.

Some other things that I am learning include...

I AM Learning "Snuggle" But from different positions so I can help my Trainer stay stress free.

I am good at... "up" I Love putting my Two paws on Top of Any object, and WAIT A Long Time. till I'm Released.

I am having challenges with... Unfortunately I AM still having Trouble Holding on Too objects. I just really Love To chew stuff But I know by the end of this Month I will get it Right

I have the most fun when... I Have my Toys or play with my other friends the DOGS. I can be free in the play pen And Run Around till I Get Tired or Hungry.

My favorite toy is... I still Love the Green pickle. But my Bone bone is Almost Done. from Me chewing on IT.

Wags & Kisses,
