

February

Dear Family,

I am writing to update you on my progress in service dog training. This month, I primarily focused on learning...

This month I learned "CAP" were I AM Able To Now put my front 2 PAWS over my handlers CAP. And WAIT until I AM release

Some other things that I am learning include... I AM Learning How To "Tug" where my handler puts the rope and I love to bite it. I know its NOT A TOY. But I enjoy this cue

I am good at... the cue "Leash" I am now able to go and retrieve my leash from anywhere, and I really love this cue because I know I'm gonna go for a WALK!!

I am having challenges with...

"POST" were I positioned myself sideways in front of my handler and its a little hard on my heel side. But I definitely got it on side position NOW.

I have the most fun when... I go outside and play in the playpen with the other dogs I just love running and chasing the other dogs and playing with my chew toys.

My favorite toy is...

I have this new GREAT TOY I GOT which is a BONE that looks like cheese. And even smells like cheese.

Wags & Kisses,

SAGE
