

# Tango's Puppy Tales

## April 2026

January:

Visited a youth program with GDA/TLC pups in training. I stayed focused even when they tossed tennis balls around.

**January** Such a cool outing with the Orange County Fire Authority in Tustin. I got to see a hook and ladder fire truck!

# January

More at the Firestation.

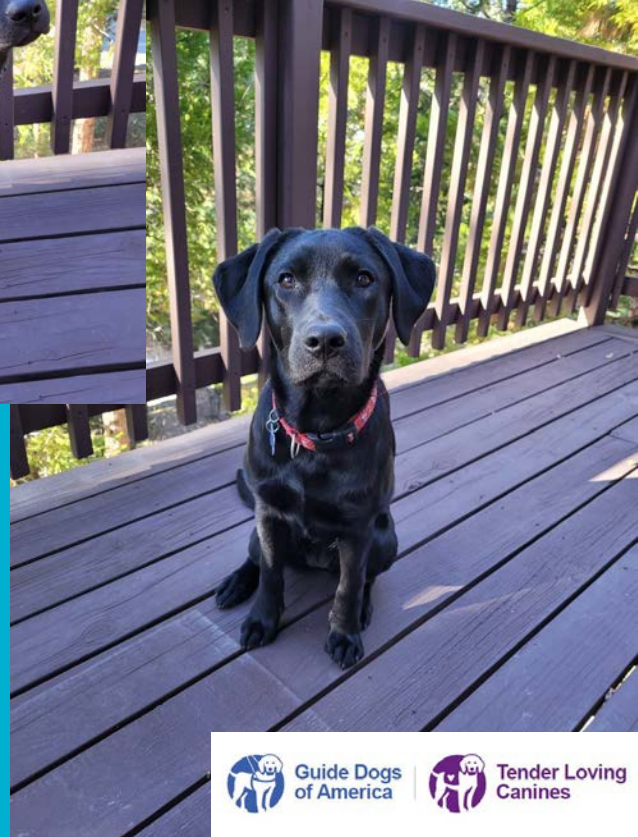

# January

I got to meet firefighters and check out their equipment.

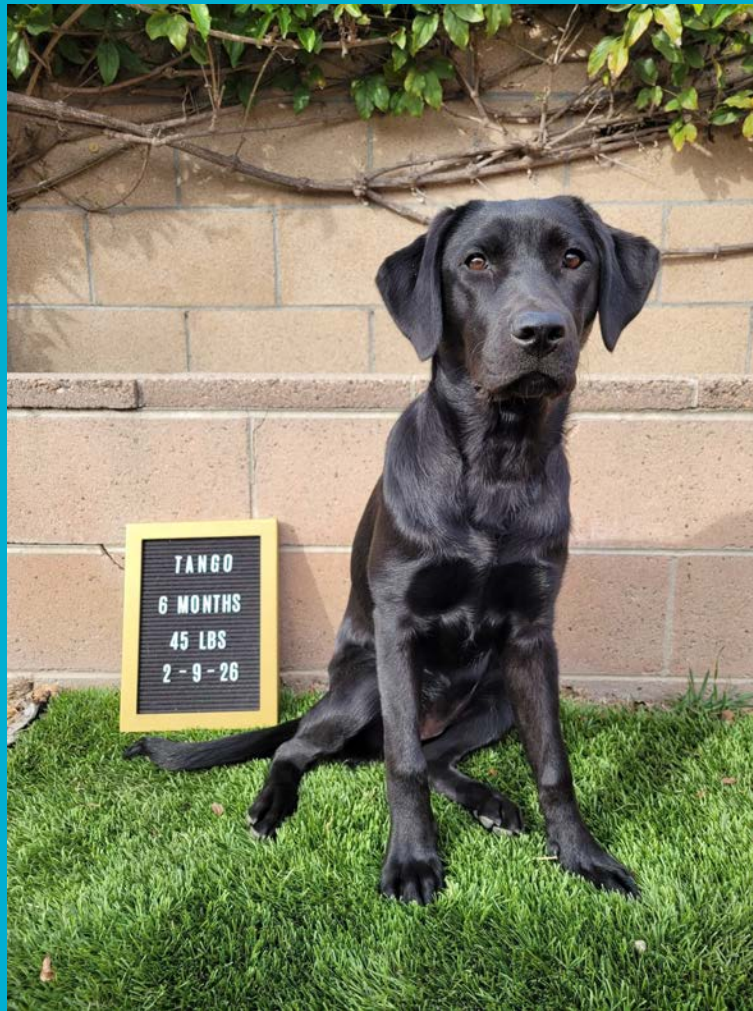

# February

Quick trip to the mountains. I just loved sitting on the deck and looking at the birds and squirrels.

# February

I keep getting bigger every day. It must be all the training and treats.

# School Board Presentation!

I am not the only lucky pup that gets to go to school every day.  
Thank you Ocean View School District for supporting GDA/TLC.

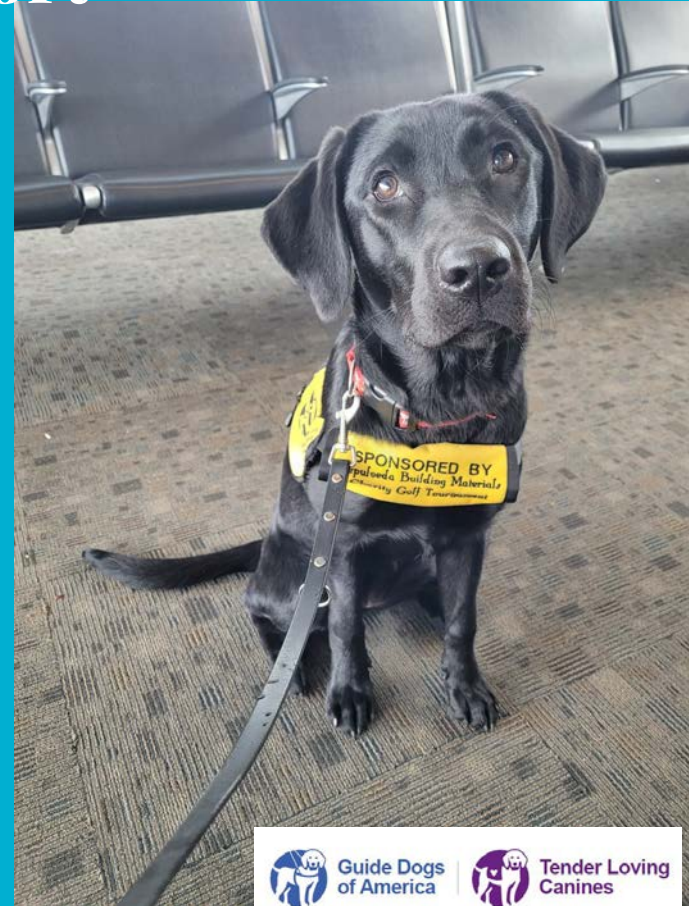

# Long Beach Airport

Awesome trip to Long Beach Airport. Only wish I could go on a plane.

# Long Beach Airport

I rode on an elevator and settled in the airport boarding area.

# Long Beach Airport

Such a fun day!

# Talent Show at School - The kids were amazing!

# Skills Class is Pawsome!!

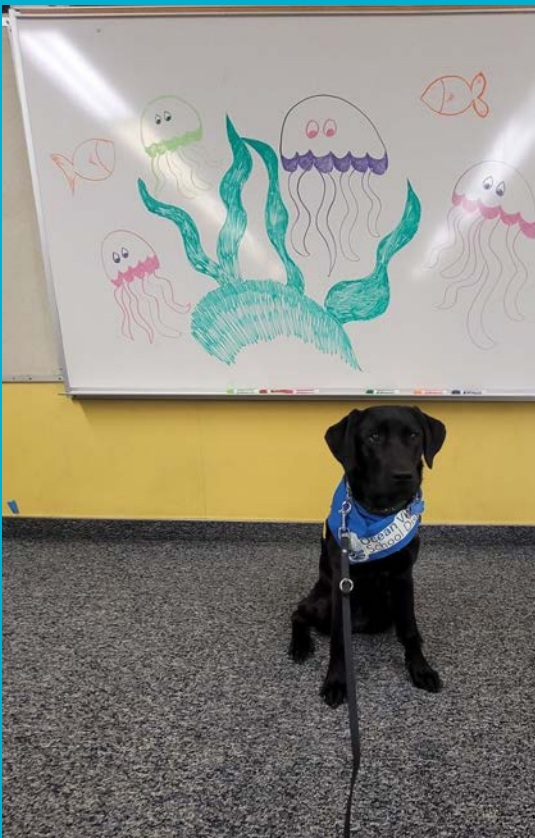

**Park Walk** – I had distraction training today. I saw all kinds of dogs, birds, and squirrels, but couldn't play with any of them. I like to watch the birds fly. People couldn't pet me, but they could pet Georgia and she loved it. We both had a bath when we got home. It was a great day:)

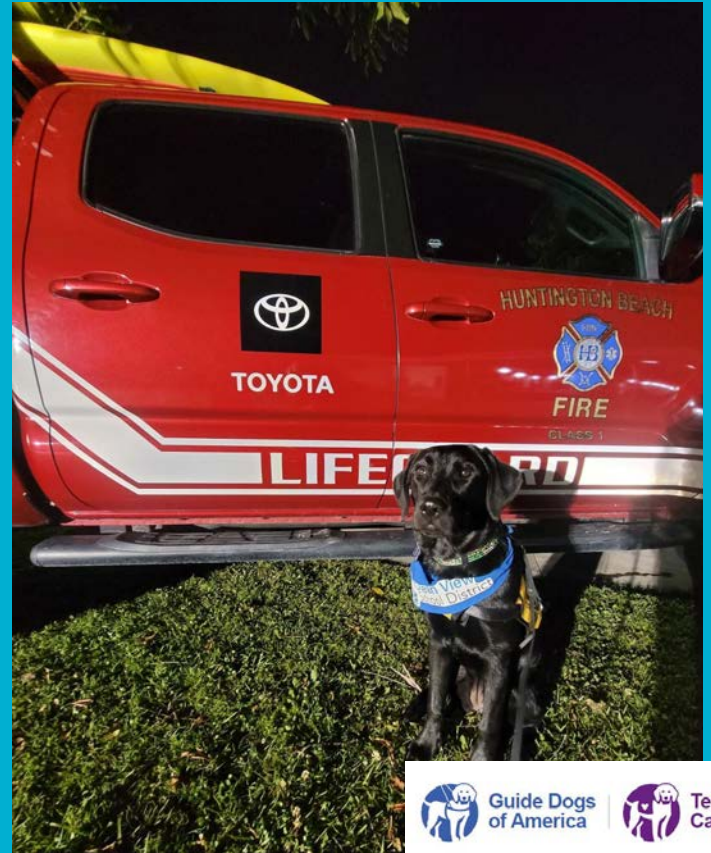

Village View is a marine science school and we had a really cool Marine Science Expo. We all had a swimming good time.

# I learned about sea jellies and wetlands

# I got to hang out with lifeguards.

# An amazing afternoon in Long Beach at the IAM Union Picnic.

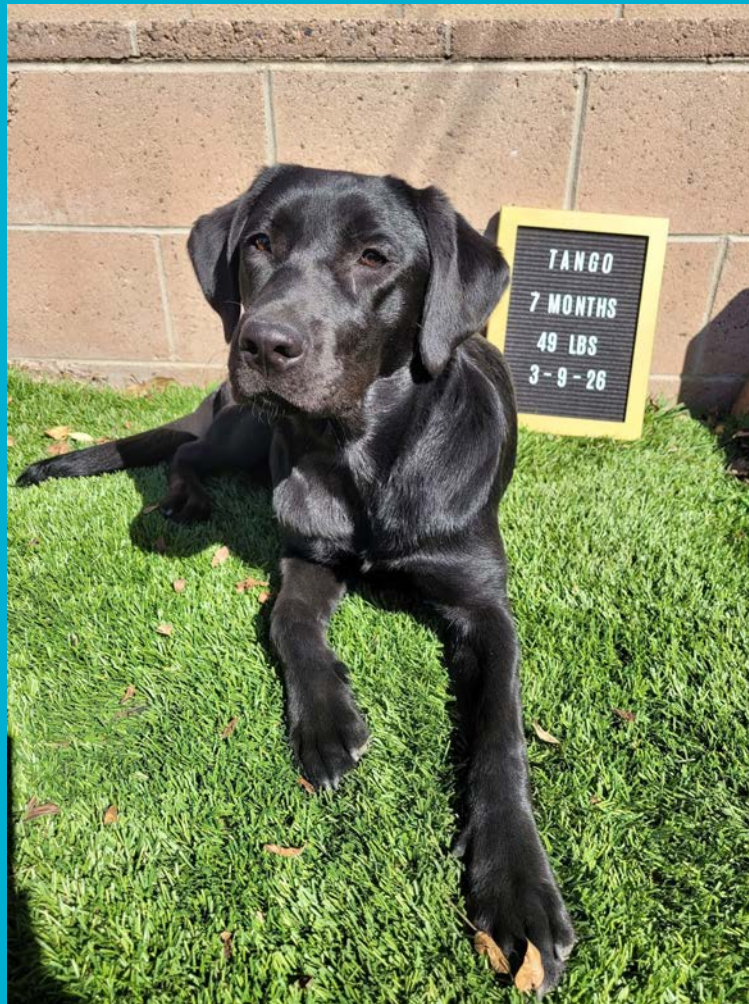

# Tony & Teresa Blevins were there too! It was an honor.

# I did a rise a walk at Huntington Beach Central Park. They even gave me a medal.

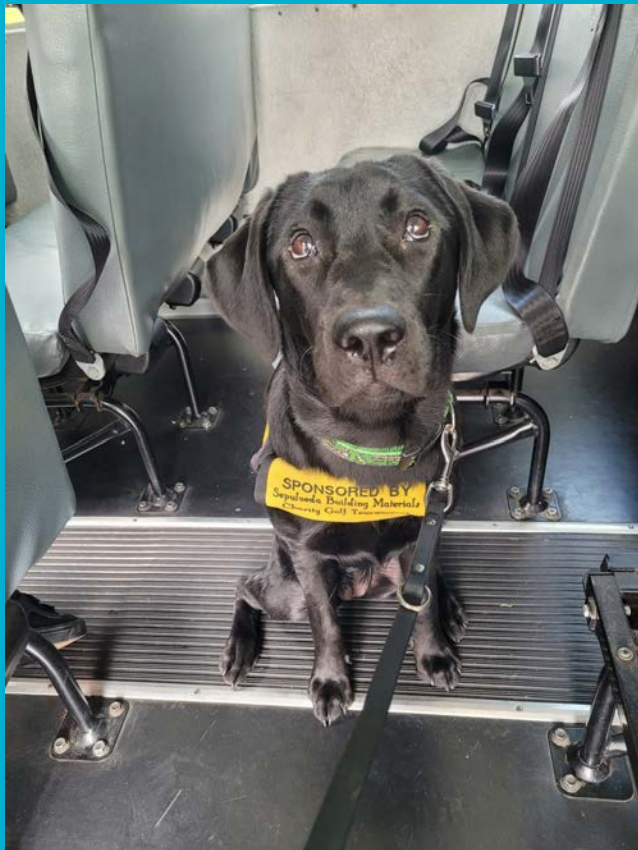

I am  
getting BIG.

# Happy St. Patrick's Day

# Bus Evacuation Drill! It was my first time on a bus.

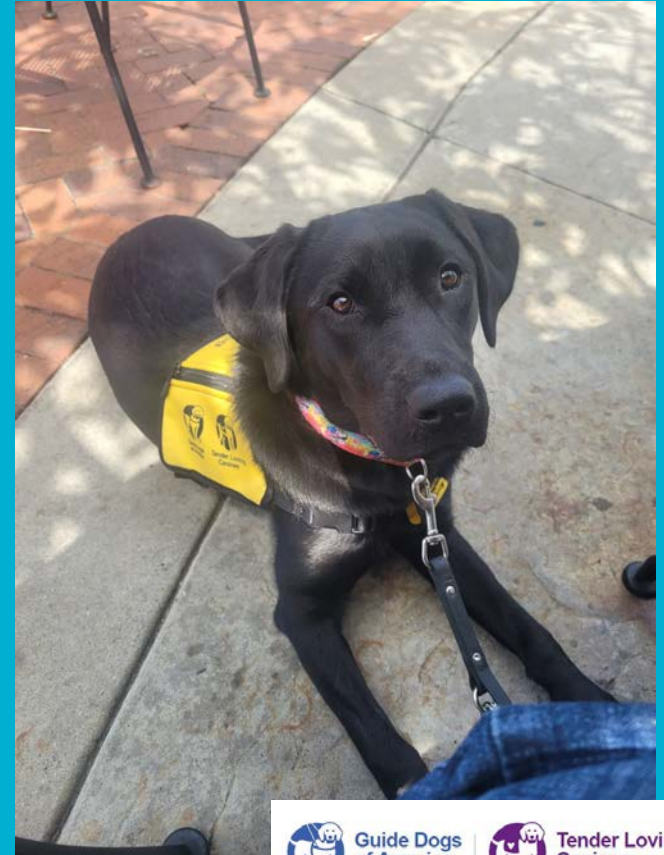

# Happiness is hanging out with friends.

# Huntington Beach police visited our school!

Going to a restaurant is fun. Today there were many dogs and even a duck waddled by and I was a good girl.

# Monthly Flag Ceremony at School

I put my bunny ears on for this month's flag ceremony at school. Everyone thought I was so cute :)

# April Monthly Puppy Raiser Meeting

At our monthly puppy raiser meeting I got big bunny ears. We then had an egg hunt, but there were no treats inside the eggs, just commands. I found 6 eggs and followed all the commands well.

# Nail Salon Again?

Time for another trip to the nail salon. All the ladies loved my bunny ears. I settled so nicely. I was tempted to play in the water, but I was good.

# School is Cool!

While the kids were away the dogs came to play at school. I was so excited to have all my friends come to school. Thanks Principal Mudry.
