

# VEGA IS A STAR!

Vega is also a Guide Dogs of America/Tender Loving Canines puppy-in-training sponsored by Sepulveda Building Materials Charity Golf Tournament. Thank you so much for sponsoring our little star!

# PUPPY PAW PAD

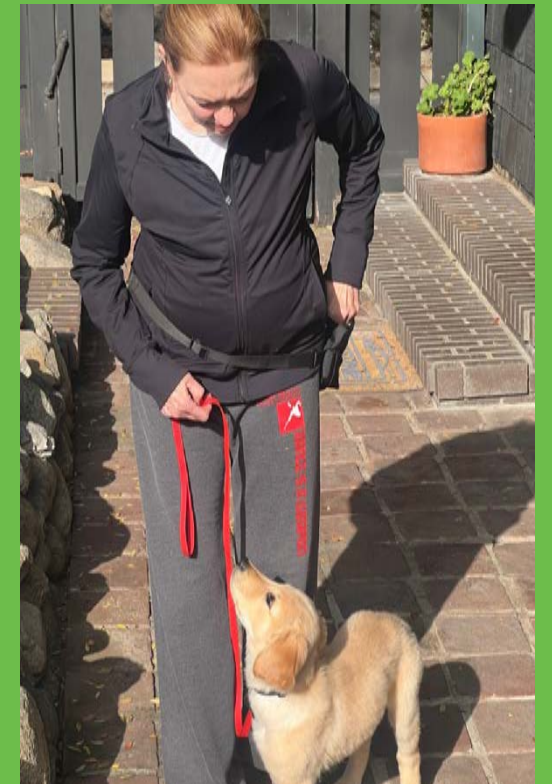

One of the first skills taught in puppy kindergarten is to stand on the paw pad. The goal is to magnetize the puppy to the paw pad so that when the paw pad is on the ground, the puppy is on the paw pad. Vega gets it!

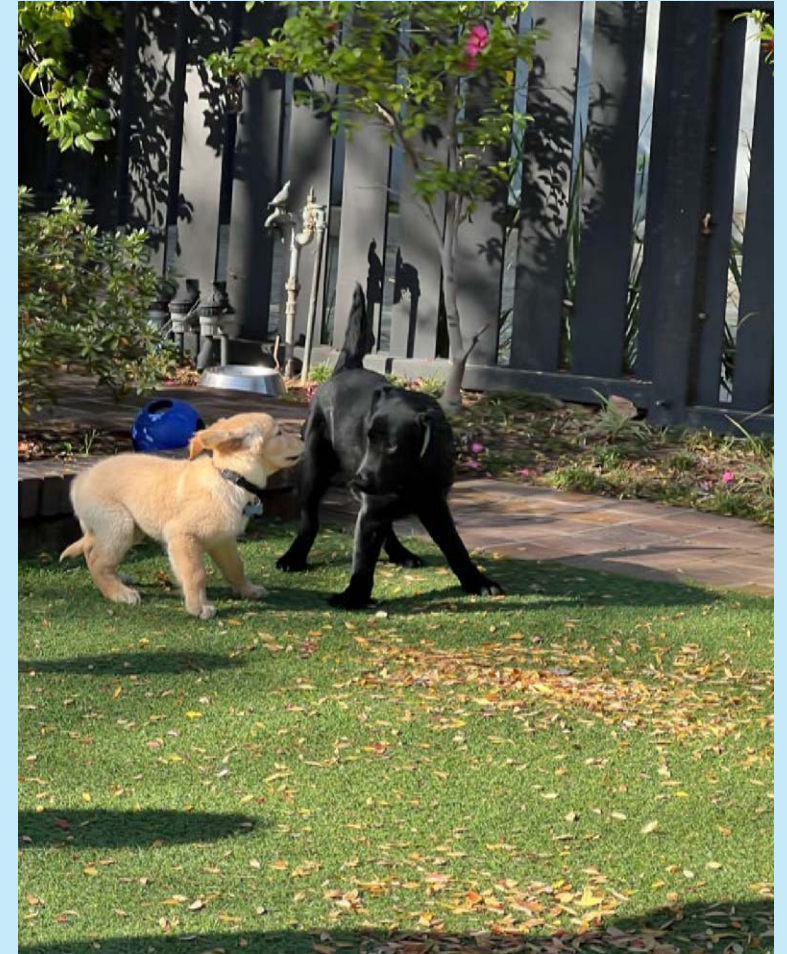

# BASIC OBEDIENCE

In addition to the paw pad, we work on walking in a heel position (“Let’s go!”), sitting on command and focusing on the handler. Note the loose leash and the intense focus. Again, Vega’s a star!

# AFTER PUPPY KINDERGARTEN-- CUDDLES AND PLAY

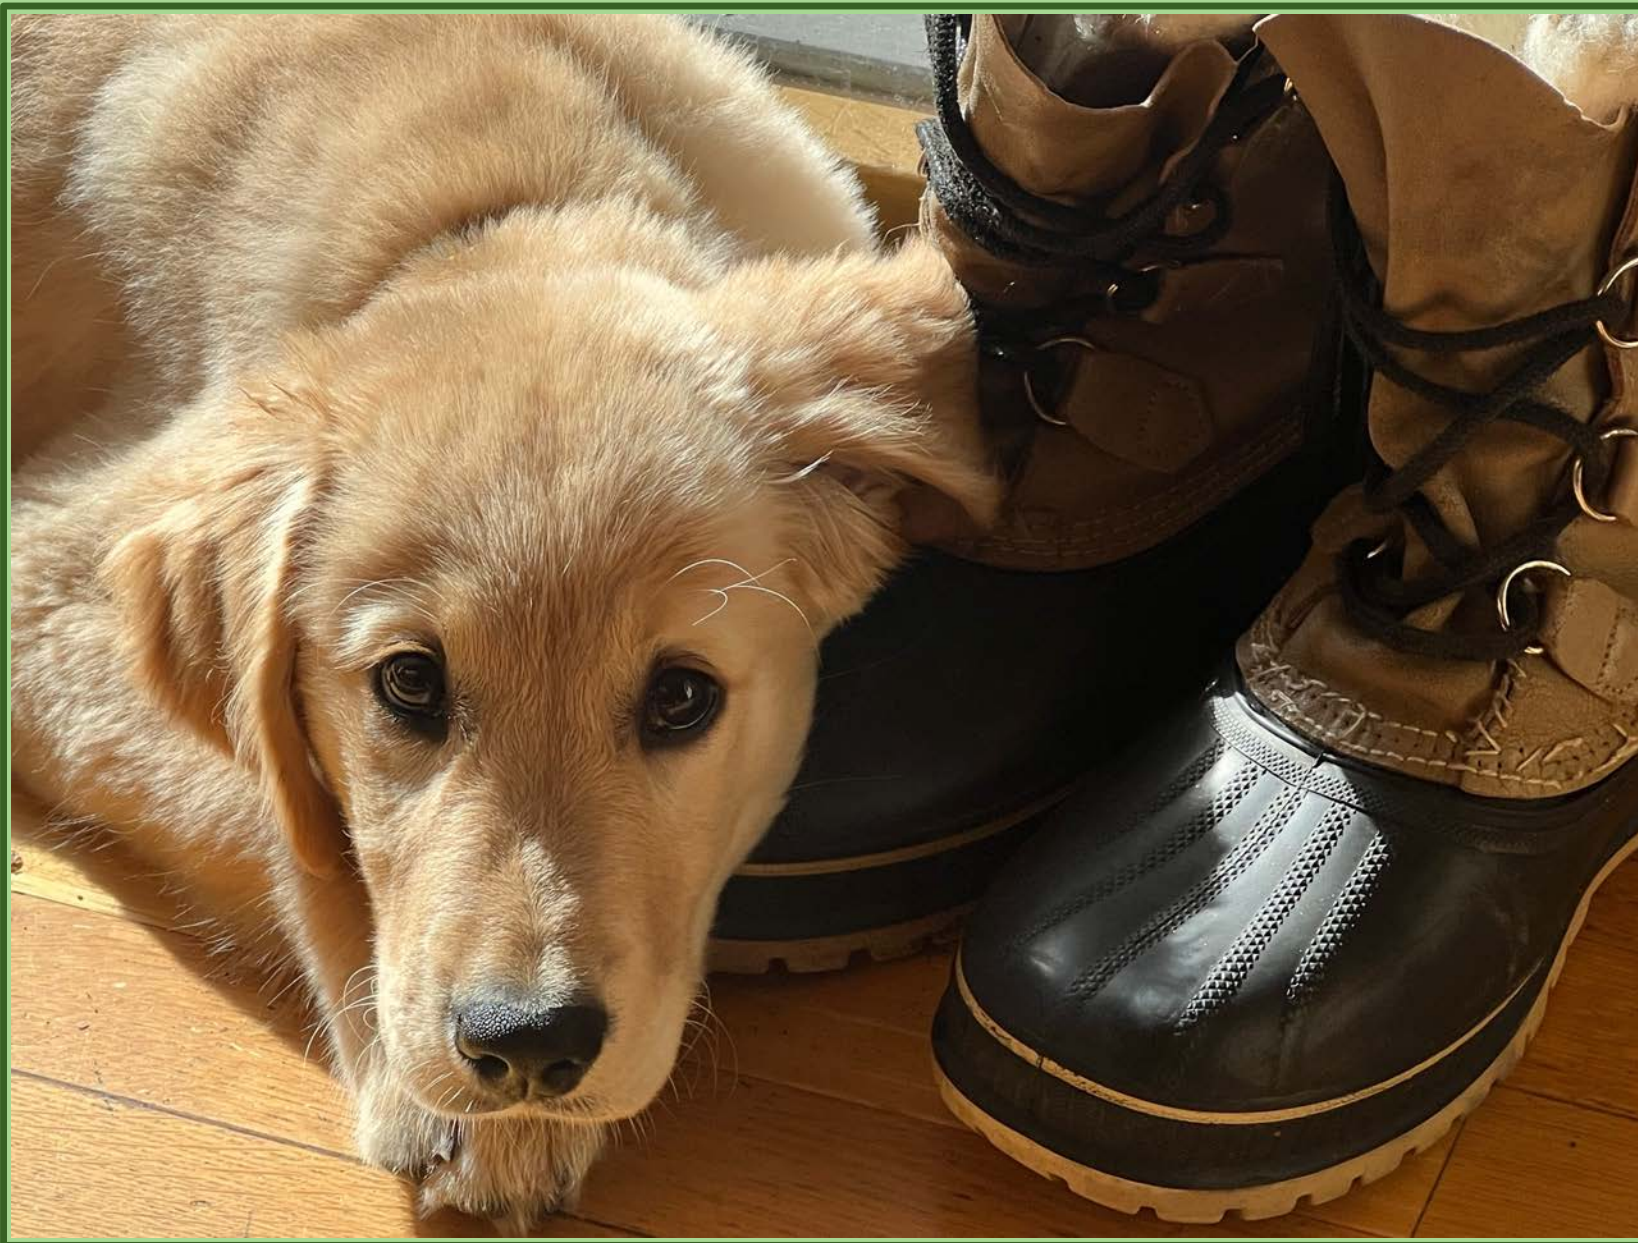

# EXPLORING THE BACK YARD

Vega loves to explore the back yard, but he is very careful around the fish pond and the swimming pool. He is the first of seven pups not to blunder into the water.

**I love to  
cuddle with  
my people.  
But when  
they're busy,  
I make do  
with their  
boots!**

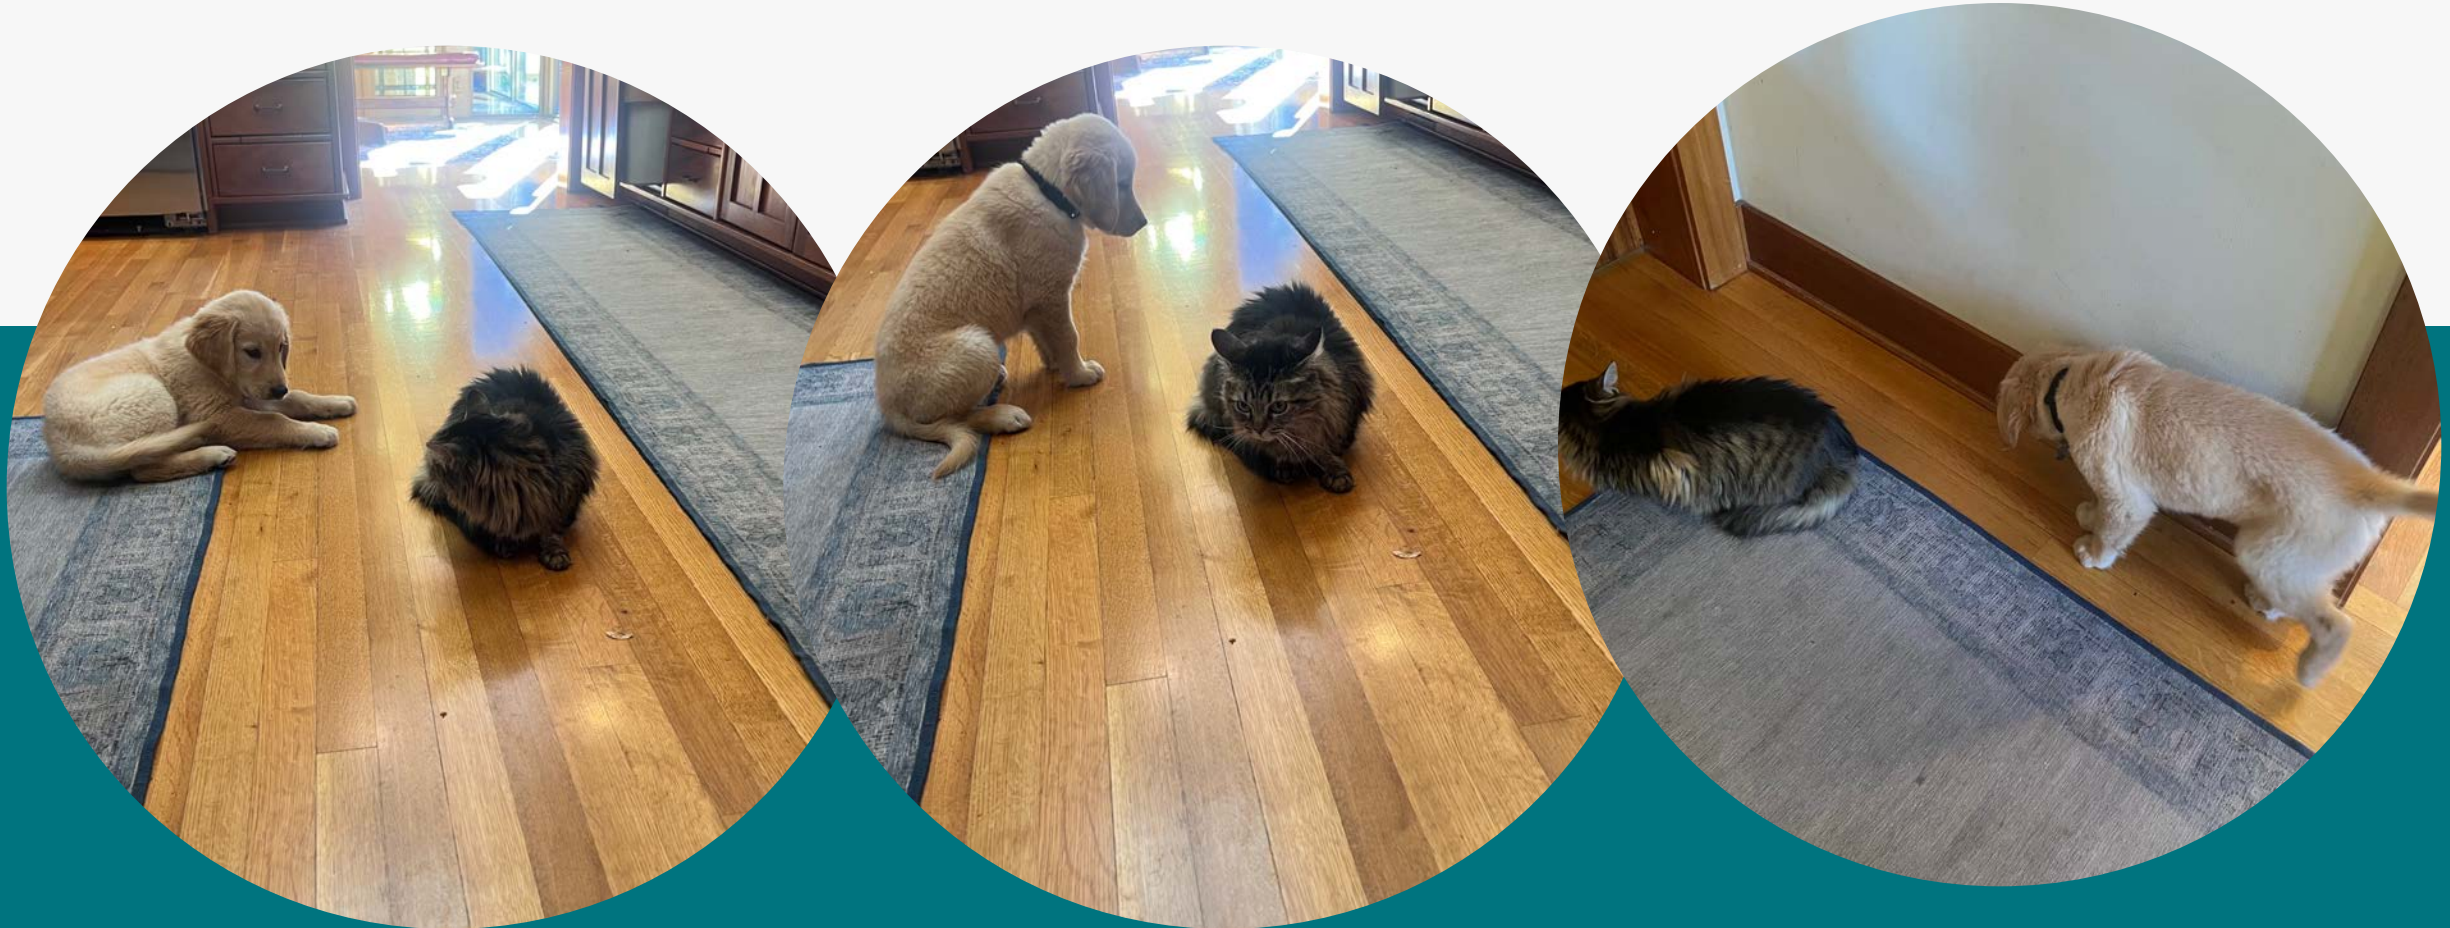

**MY FAVORITE  
TOY IS MY  
JOLLY BALL.  
CAN YOU  
TELL?**

# MEETING THE KITTIES

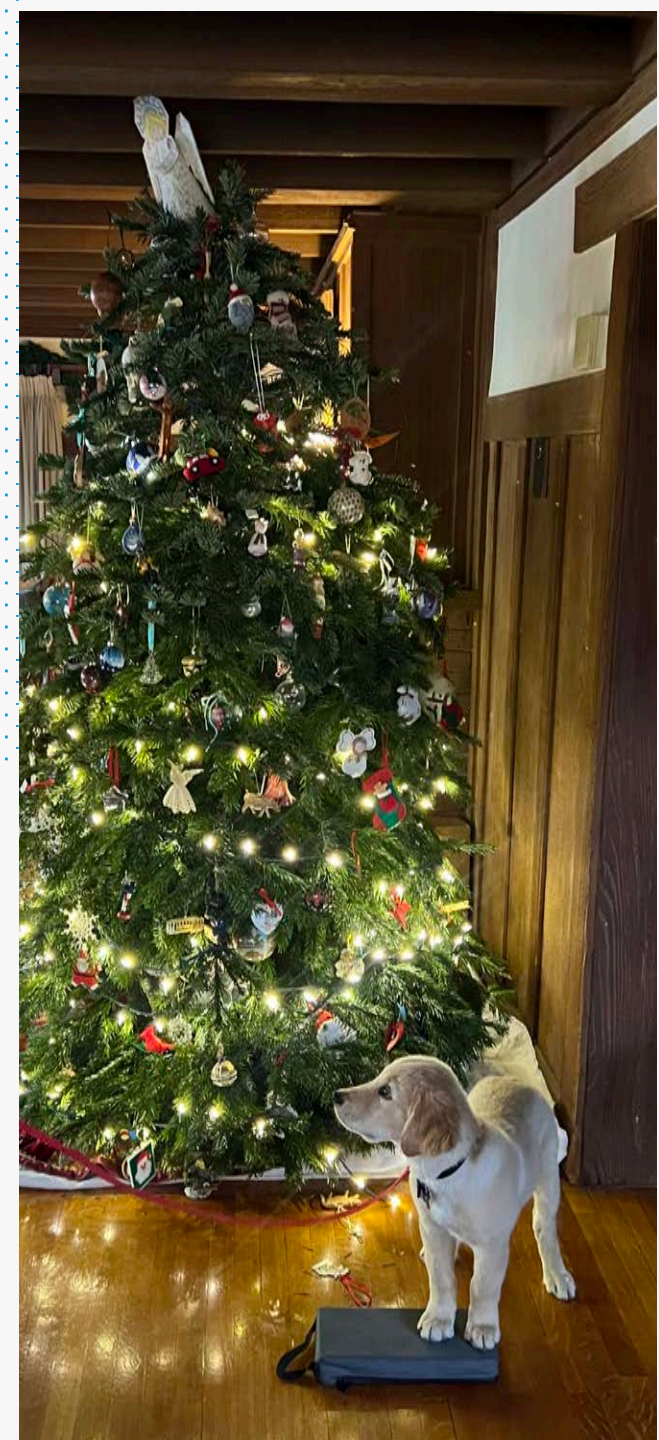

Vega has two female feline house mates. He wants to be friends, but they aren't so sure.

# VEGA'S FIRST CHRISTMAS

Nothing  
beats having  
a puppy at  
Christmas  
time. So  
much energy  
and joy! And  
a few naps.

# HOLIDAY PREPARATIONS —SO MUCH SHOPPING . AND MORE NAPS!

# MY FAVORITE ROOM IN THE HOUSE

It's where I eat. Sometimes it's where friends come to eat and drink And It has the closet for all my stuff which I guard carefully!.

# EVER HEAR OF PUPPY YOGA?

Materials Charity Golf  
Tournament, thank you

We're both stars!

Love,  
Vega
