

Dear Family,

I am writing to update you on my progress in service dog training. This month, I primarily focused on learning... Review and Stegthen (months 1-10) behaviors. (Judo) knows and can perform with fluency over 50 behaviors. My progress in service dog training is Law of Effect.

Some other things that I am learning include...

(STEP) behavior is one extra thing I am learning. up and down stairs one step at a time. Not mandatory behavior, but a great tool to have if needed. (Judo) the Amazing Companion canine, soon to become a service dog. Superpower is unconditional love.

I am good at...

"(First Bump)" behavior is my favorite. I am good at this behavior. (Judo) touches handless closed fist with her nose.

I am still struggling with...

wearing Halti equipment and (loose leash walking) is still a struggle. (leave it) behavior is exceptional. More positive vites without Halti equipment.

I have the most fun when...

Best Day ever Playing with my canine friends. I have many friends: Wujin, Zappa, Inyo, Leroy, and my best friend is Jettison. (my brother). "(Go Play)" behavior. My favorite toy is... "Peanut Butter Flavor" Bonebone is my favorite toy.

Wags & Kisses,

Judo
