

Good Karma!

Volume 5

Hello everyone,
Happy end-of-summer! Summer was a great season for me. I had a wonderful time as a puppy-in-training, and getting ready for the next step—formal training! Thank you to Sepulveda Building Materials Charity Golf Tournament for sponsoring me and so many other GDA/TLC puppies. I got to meet many of the other pups at the golf tournament in August. And I got to meet many of the golfers who supported the tournament. Thank you!

TRIP TO THE BEACH

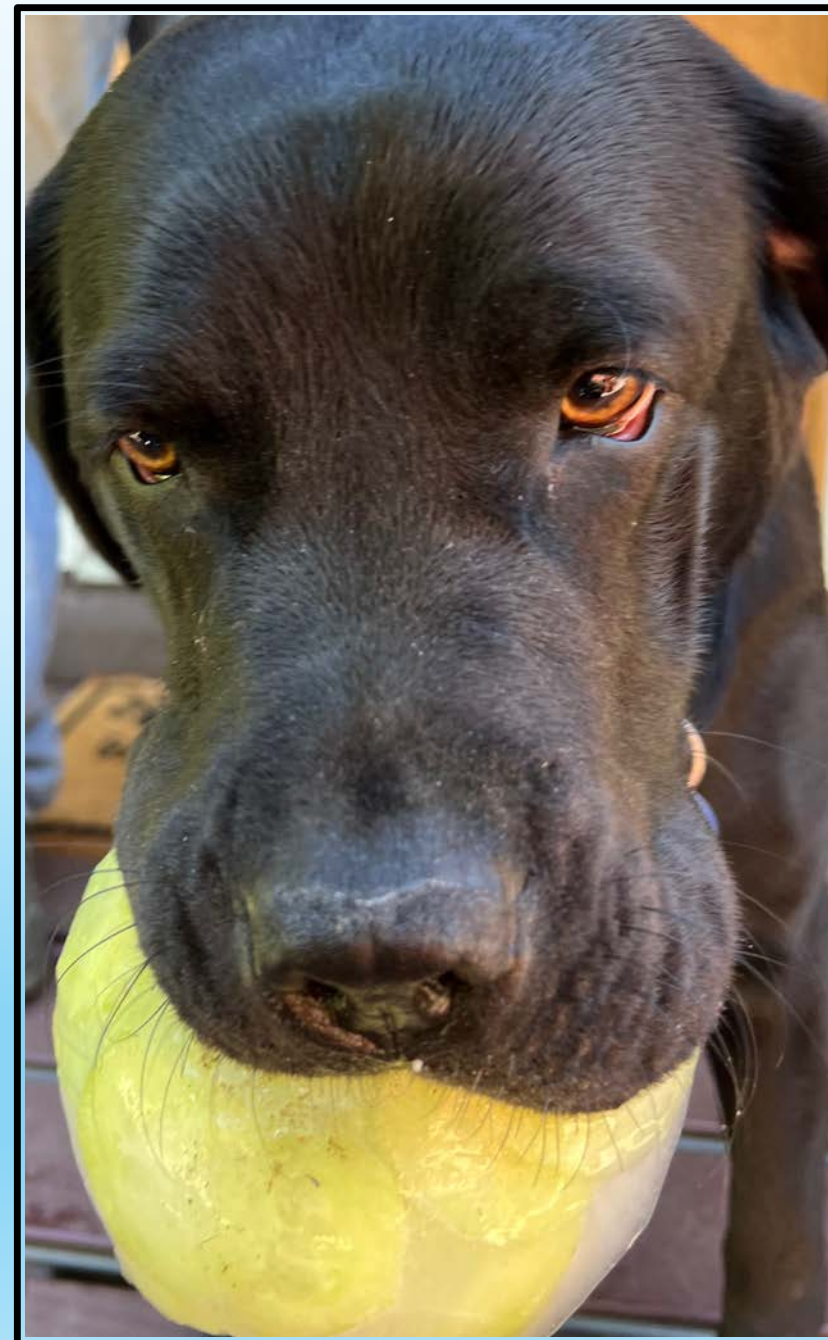

What would summer in Southern California be without a trip to the beach?

I WENT TO THE HOLLYWOOD BOWL

**I CELEBRATED
MY FIRST
BIRTHDAY
WITH A PUP-
SICLE!**

I WENT FOR LONG WALKS IN PRETTY PASADENA PARKS

Pasadena has
some beautiful
parks that aren't
very crowded.

MY FIRST YEAR EVALUATION WAS A SUCCESS!

We went to a mall with a lot of noisy distractions. But I ignored them and did what I was told to do. Stand-stay: no problem. Down-stay: I could do this all day!

**I LIKE TO
DINE
OUT.**

**WHO AM I
KIDDING?
I'M A LAB.
I JUST LIKE
TO DINE.**

WHAT'S WITH THIS CONE?

I spent a day at GDA and came home with a cone around my head. (They say I was “spayed” – not sure what that means.) In any case, I got used to the cone pretty quickly.

PUPPY RAISER GROUP OUTINGS

Our puppy raiser group went to the Target store in La Canada and to Cal Tech. I showed the younger pups how it's done!

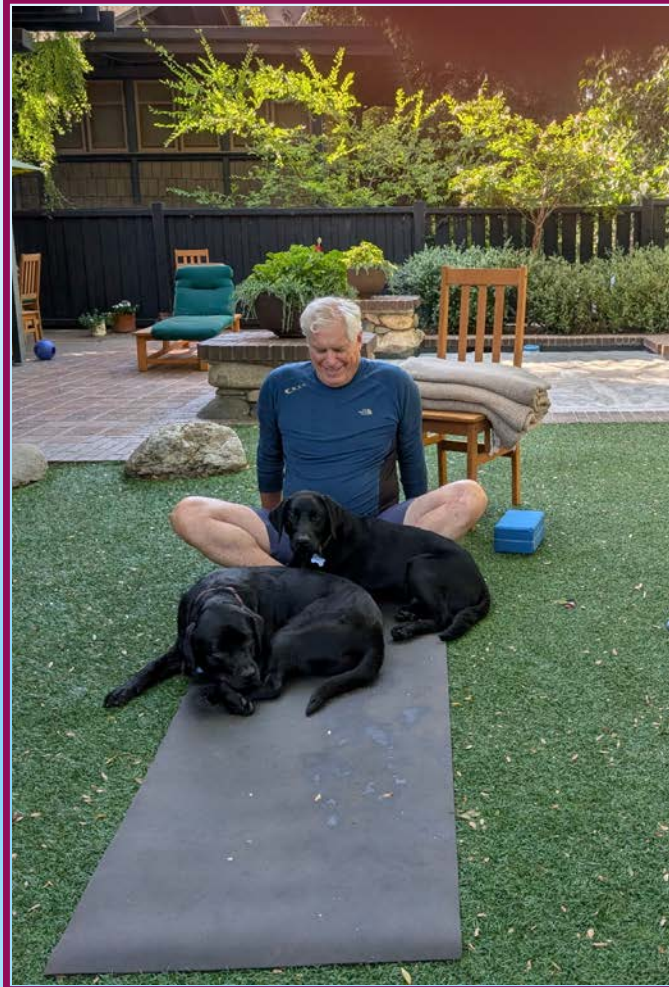

PUPPY BEST FRIENDS

Orry is my Golden Retriever friend, and Carson is my Black Lab buddy. Both stayed with me during the summer.

EVER HEAR OF PUPPY YOGA?

VISIT WITH ANOTHER FAMILY

While my people were out of town, I spent time with another family. They took me to church, the Huntington Gardens and a ukelele concert. Lots of fun!

WHAT'S NEXT?

I can go just about anywhere these days. I may not be the poster pup for puppy raisers, but I could be!

THANK YOU!

In a few weeks, I'll be off to college. I don't know whether I will train to be a Guide Dog or a Service Dog for a veteran, or for a family with an autistic child or for a facility. Whatever my future holds, I am ready to start my training!

This would not have been possible without your generous support. Thank you to Sepulveda Building Materials Charity Golf Tournament. We did it!

Love,

Karma
