

LADY

THANK YOU SEPULVEDA BUILDING MATERIALS CHARITY GOLF TOURNAMENT!!

October 2025 Pupdate

Quick Update

- Lady is now 13 months old and just over 55 lbs.
- Lady went into heat for the first time, during which she enjoyed a kennel stay for about 4 weeks
- Here are pictures of her enjoying a day by the beach and practicing settling on tie down

Group Training

- Lady joins the Torrance area group for training as often as possible where she works a lot on impulse control. Passing humans and dogs are very exciting for her! But she is learning to stay in a sit and not lunge at them :)

HOUSE BEHAVIORS

- Lady continues to be very trustworthy and very well behaved in the house
- Here she is pictured in her favorite spot in the house - behind the curtains!

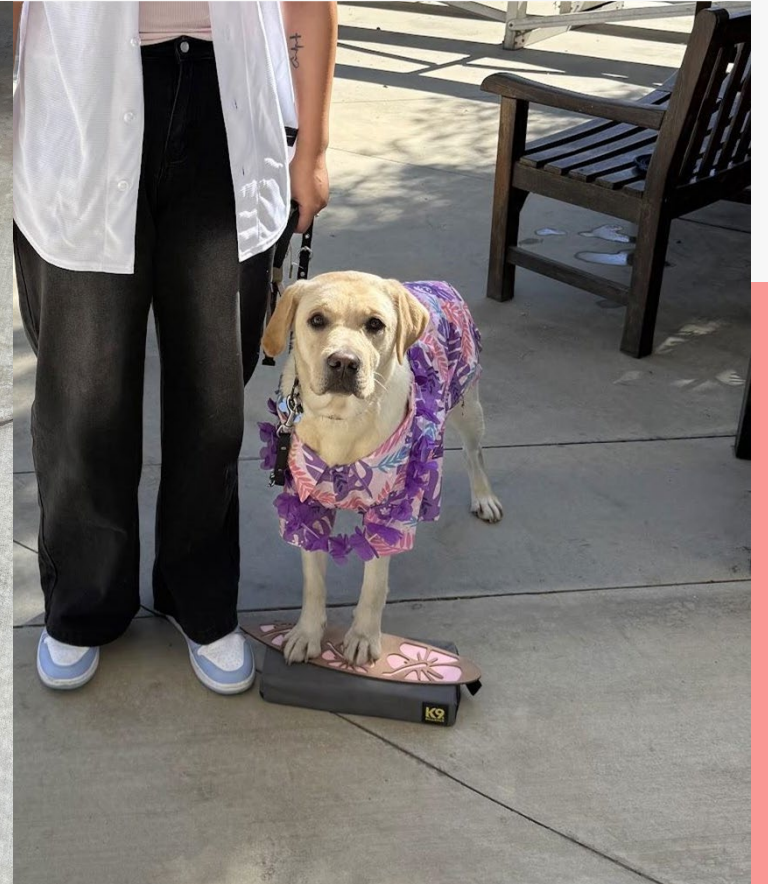

Outings

- Lady has been going out to various stores, restaurants, beaches, and other public areas. Here she is at Top Golf!

Early Halloween

- Lady was able to dress up in a Hawaiian themed costume at the Halloween puppy raiser appreciation lunch at GDA

CAR RIDES

- Lady does so well in the car. She typically prefers her crate in the back but here she is crammed in the back seat during a road trip. At least she got some snuggles in!

Overall

- We have been so proud of Lady's progress! She has a wonderful mild temper, she absolutely loves people, and she is so adaptable in many different situations.
- Lady has some routine medical exams coming up as well as her 1-year evaluation where the trainers can do a more in-depth evaluation of her and her progress.
