# SERVICE ANIMAL TRAINING DAY

Twice a year Orange County Transit Authority has Service Animal Training Day. We got to meet up with our puppy in training pals and got used to riding calmly on a real bus!

## ARTIC TRAIN STATION

All of the GDA | TLC pups met in front of the ARTIC Train Station in Anaheim.

## OBEDIENCE

To get the wiggles out we worked on some obedience training. Are you bored, Wish?

## ON THE BUS

There were probably a dozen dogs on the bus. Wish did "close" and was fairly calm for the ride.

## MORE OBEDIENCE

When we got to our destination we did some more obedience as a group.

# DOWNTOWN DISNEY

## WALKING THROUGH THE BUSIEST PLACE ON EARTH

Well, Disneyland might be the busiest, but a close second might be Downtown Disney. Wish navigated through many people and also took a few Disney pics along the way.

It's Disney's 70<sup>th</sup> Anniversary. We got some nice pics in front of these signs. We found Nemo!

they had this huge display in front of the Disney entrance. Can you see the other GDA | TLC dogs in the background?

Wish was very interested in the remote control droids. She was curious, but never lunged or pulled. Good girl, Wish

Another 70<sup>th</sup> Anniversary sign! Did you know our last GDA | TLC puppy's name was Anna (after Anna from Frozen). She's working as a Facility Dog now.

# HOLIDAY FUN

## HAPPY HOWLIDAYS!

We love the holidays! Last year Wish spent Christmas at the nursery. this year she got to hang out with the family for the holidays. She even got a present from Santa!

Happy Halloween! Wish went into heat and had to spend Halloween at the GDA kennels, but not before getting a quick pic with the pumpkins.

We went to Rodeo 39 for the girls basketball Christmas party. We got a nice festive pic in front of this giant teddy bear.

Working on sit-stay at Lowes in front of the Merry Giftmas tree.

These are the animatronic Christmas characters at Lowes. Wish did a great sit-stay while some of them sang.

# FAMILY OUTINGS WITH WISH

## PICKLEBALL

Wish watched the girls play pickleball with grandma.

## BACK BAY GOLDEN HOUR

We were visiting my mom and got a good view of the Newport Beach Back Bay during Golden Hour.

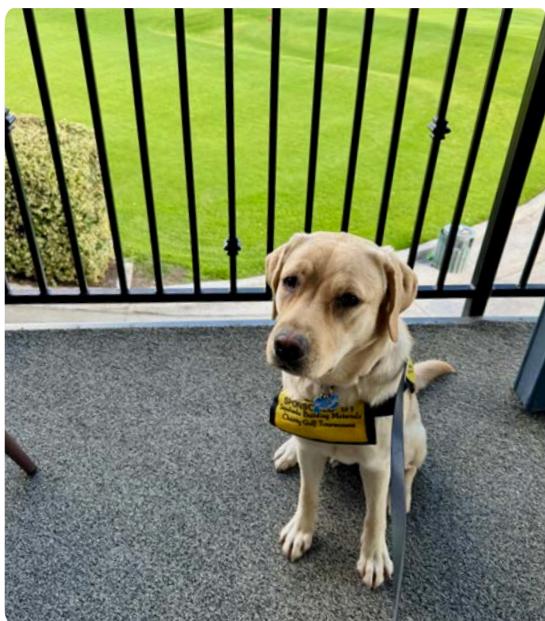

## MOVIE THEATER

We took Wish to see Wicked: For Good. this was her first time at the movie theater.

## GOLF PARTY

We took Wish to my Uncle's 80<sup>th</sup> birthday party at the golf course. We were inside most of the time where Wish met new friends and family.

# RELAXING WITH WISH

## AT HOME

Her favorite place to relax is on her squishmellow. Wish is keeping watch while we wrap Christmas gifts.

## BASKETBALL

We've been going to the girls basketball games since Wish was a puppy. She's getting pretty good at relaxing when the ball hits the hardwood.

## STARBUCKS

Our home away from home is our local Starbucks. All of the Barista's know Wish by name. Wish knows at Starbucks it's time to be quiet, relax, curl up in a ball, and go to sleep. Good girl, Wish!

We took a nice little vacation to Mammoth between Christmas and New Years. Unfortunately, Wish wasn't allowed to go on this family trip, but she got to spend some time at the GDA | TLC kennels where she played with her puppy friends. Happy New Year to everyone and thank you to Sepulveda Building Materials for sponsoring our little yellow pup! (we photoshopped Wish into our family photo in Mammoth...hehe...)

cheers!
