

Dear Family,

I am writing to update you on my progress in service dog training. This month, I primarily focused on learning... the LLW Criteria to make sure I can pass my ~~other~~ C.L.E.A.R. Assessment

Some other things that I am learning include...

Sit, you know how I back-up when I sit. It turns out that I am supposed to tuck my butt and leave me front paws planted to stay in position.

I am good at... learning behavior. I quickly figure out what my handler is trying to teach me.

I am still struggling with... leash guidance. When my handler guides me to the right I think he wants a "between", I am not used to being on the right side I don't feel comfortable going that way.

I have the most fun when... I play tug. I have been able to play tug with other dogs now. I love it!

My favorite toy is... still the blue Z.

Wags & Kisses,  
and best wishes
